## STANDARD FEATURES

### Silhouette Style Back

Our 128C stack chair feature silhouette style backs with no exposed fasteners, for clean, finished look. Silhouette style backs are designed to fit inside the frame to protect upholstery.

### Handhold

All 128C series stacking chairs come standard with handhold. Fashioned for a clean, finished look and long service life.

### T-Nut & Bolt Construction

Both back and seat are attached to the frame by screwing bolts into T-Nuts (encased in the plywood). Backs and seats can quickly and easily be removed and reattached without splintering or cracking plywood seats and backs!

### Steel Reinforced

With 7/8", 16-Gauge Steel Frame. Utilizing multiple 5/8" steel supports, and painted with a powder coat finish giving you one of the most durable paint finishes and strongest frames on the market.

### Waterfall Seat

Standard on all 128C Banquet Chair, this specially formulated 1.8 lbs High Density Foam, meets flammability requirements of C.T.B. #117. This 2.5" Thick Seat is formulated for longer life and superior comfort.

### Side Stacking Bars

Highly recommended for chairs that are stacked frequently. The bars align the chairs to stack squarely; while also helping to reduce wear and tear on seat upholstery.
