

MILL BROOK INDUSTRIES, INC.

MBI's Seating incorporates features that give you comfort, durability, value, and style.

S120 Series

For over 50 years, the S120 series chair has continually been our best selling chair recognized as offering superior value. The S120 chairs provide unparalleled comfort and cost effective seating meeting any budget requirement.

- **SEAT & BACK:** Heavy-duty shell made of superior high-density polyethylene material making it 40% heavier than any other shell on the market. Shell design promotes seating comfort and correct seating posture for enhanced learning
- **FINISH:** Bright nickel chrome plating meets all requirements for no-corrosive and abrasion resistant finish.
- **FRAME:** 16-gauge frame with signature crossover leg design, twin, twin 16-gauge back supports and swaged legs accent the strongest frame design in the industry.
- **STACK & STORAGE:** may be stacked in a crisscross pattern up to 20 chairs high to provide ease of cleaning and storage within classroom.
